

EXPLORE YOUR WORLD

Gale Presents: National Geographic Kids stimulates kids' curiosity through immersive content designed for exploration. This resource provides full issues of *National Geographic Kids* magazine as well as books, videos, and images—all with Gale's trusted built-in tools—on a kid-friendly platform that makes learning more accessible. With high-quality informational texts, fun features, and weird and wacky facts, this resource engages students across primary, upper-elementary, and middle school grades.

With an easy-to-navigate interface and an enhanced user experience, *Gale Presents: National Geographic Kids* doesn't just make finding information less time consuming—it sends kids on an adventure to explore the world and universe around them.

PUT KIDS ON A PATH TO LEARNING

DISCOVER DIGITAL CONTENT

Immersive digital content allows learners to explore a world of information anywhere they have Internet access.

INSPIRE TOMORROW'S TRAILBLAZERS

Help kids discover the powerful work of scientists, conservationists, technologists, and more—and inspire the next generation of changemakers with engaging images and stories.

INCREASE ENGAGEMENT

National Geographic's trusted content—including books, videos, images, and more—engages kids and contributes to positive learning outcomes.

BUILD RESEARCH SKILLS

Use this dynamic resource to enhance instruction. Organized topic pages, citation tools, and a simplified interface create the ideal environment to introduce kids to research with appropriate guidance.

MASTER WORKFLOW

Expand access and increase discovery by integrating Gale resources into your learning management system. The power of **Google Workspace for Education** and **Microsoft 365** tools enables the user to easily share, save, and download content.

Product screen capture as of October 2022. Actual interface may vary.

INTUITIVE TOPIC FINDER

Gale's popular topic finder tool sparks curiosity as users move through a visual navigation tree to explore related topics and get answers to their questions.

ACCESSIBLE CONTENT

Accommodate learners with ReadSpeaker text-to-speech technology to hear magazine and book content in 20+ languages.

POWERFUL PLATFORM TOOLS

Learners benefit from the same tools they use in other Gale resources, including shareable links, built-in citation tools, and Google and Microsoft integration.

KID-FRIENDLY eBOOK READER

Designed for young readers, the eBook reader ensures that all *Gale Presents: National Geographic Kids* content is easy to read and navigate.
